LONNIE BEARD TAKES THREE YEARS IN PRISON

Negro Farmers

Here is a comment by Oscar F. Bledsoe, III, published recently in the Staple Cotton Review at Greenwood, Mississippi, and submitted by Hubert L. Atkinson of Maysfield.

There is so much misinformation in the Northern part of this Nation about the relationship between the white and the Negro races of the South that I called on the Local Managers of the Staple Cotton Cooperative Association to check our Negro membership as our office records do not show the race of our members.

We find that we have 99 Negro farmers who are members of our Association. Of this number 74 are landowners and 25 are renters. The landowners also rent 2,180 acres. The total acreage operated by landowners is 12,861. The total acreage operated by renters is 1,425. Fifty-one of these Negroes own 6,527 acres of land free of mortgage.

Of the above 99 Negro farmers, 48 borrow no money for production purposes. This record shows excellent progress for the thrifty farmers of the Negro race who were trained under the plantation system and operate their lands under the plantation system.

All of our Negro farmers are excellent members and are very appreciative of our efforts to give them the same service as we give our white members. The Negro farmers whom we carried through the last depression and for whom we saved their lands show especial gratitude.

Our Delta population is predominately Negro with the ratio of about 2 1-2 to 1. This race relationship should be a marvelous example in contrast with the rest of the racial conflicts of the World.

Why do the radical politicians of the North want to disturb this peaceful race relationship? No Federal legislation brought about this peaceful condition. It reflects the normal race relationship in the South. The South has solved its race problem by letting nature take its course with the addition of an ample supply of the milk of human kindness and the removal of all politics, the most insidious disturber of the peace of mankind.

The United States Department of Agriculture reports that as of 1945 there were 689,215 Negro farmers in the United States. Of this number, 482,676 were tenants and 205,917, or nearly one-third, were landowners with an acreage of 16,132,279, and the value of the lands and buildings owned was \$455,612,417.00. Of these holdings in Mississippi, there were 25,346 landowners with an acreage owned of 1,919,701 and a valuation of lands and buildings of \$49,865,488.00. Operating equipment on these farms also represents quite a large investment. Negroes are also owners of city and town property, some of whom are tenant farmers. This is an excellent record of progress for a race only two or three generations from slavery.

On account of the movement in the last 10 years of about one-fourth of our Negro population to the North and West, the South will watch with interest their handling of this Negro problem.

Based on my fifty years of experience in dealing with them, I believe that the pure Negro will seek segregation in living quarters, churches and entertainment, which is the inherent nature of all races and all living creatures.

Mr. and Mrs. H. C. Tindall have as guests in their home this week their children, Mr. and Mrs. Finley Tindall and children of Orange and Mr. and Mrs. Odus Tindall of San Antonio. Mr. and Mrs. Odus Tindall have returned from a vacation visit to various points of interest and visited with Mrs. Tindall's people.

AGREED VERDICT ENDS MURDER TRIAL MONDAY

Lonnie Beard, 57 year old farmer in the Conoley community, accepted 3 years in Texas Prison for the murder of his son-in-law, Noel D. Collins in July of this year.

The sentence was agreed upon between counsel W. C. Wofford of Taylor, for Beard and W. A. Morrison for the county.

Melvin Collins, a cousin of the slain man, testified briefly that he and a brother Louis Collins were at the Beard home at the time of the shooting.

It was understood that a venire of 75 men had been selected for the case but that last week it was agreed between attorneys that Beard would enter a plea of guilty and leave his chances up to the mercy of the court on recommendation of the county attorney.

No jury was impaneled and only one witness was heard, Collins who married Tessie Beard since the slaying of his cousin, testified that he witnessed the shooting and that Noel D. Collins died there on the farm and before he crossed the county line in an ambulance on the way to Taylor Hospital.

Sheriff Carl C. Black placed Beard under arrest shortly after the shooting. He also brought the Collins boys to Cameron and facts were docketed for the state's case.

The state was credited with a strong case against Beard.

On the night of the murder Collins and wife, a daughter of Lonnie Beard, left for their home in Round Rock. A short way out from the Beard farm home, Collins turned back and was slain with a shotgun in the yard of the Beard home. Melvin and Louis Collins were at the home at the time.

Evidence in the case disclosed that trouble between Beard and Noel D. Collins had arisen some years before the killing and grew out of a quarrel between Collins and Beard's son. This was not brought out in the trial, since there was no trial.

On the day of the shooting which was July 13, 1948 Beard and Collins went to Thorndale to sell some grapes. They quarreled, it was alleged, and when they got to town began drinking and on the way back they quarreled more. It was in the early evening. When they reached the Beard home Collins summoned his wife and they left in their car for Round Rock. A few minutes later they returned to the Beard home where Collins was slain.

Noel D. Collins, the slain man, married Beard's daughter and Melvin Collins, a cousin, recently married Tessie Beard.

GEORGE F. PARMA DIED SAN ANTONIO SEPT. 27

George F. Parma, 68, former resident here, died in the Nix Hospital in San Antonio at 9:15 a. m. September 27 after a short illness.

Funeral services were held on September 28 from the Porter Loring Funeral Chapel in San Antonio.

Mr. Parma was a native Texan, born in Fayette county in 1880 and spent the early part of his life in Cameron. He had made his home in San Antonio for a long period of time where he was manager of a Sommer Drug Store for 39 years.

Surviving are his widow, Mrs. Alta Parma, one daughter Alta Louise, of San Antonio, two sisters and three brothers as follows: Mrs. D. J. Kubacka and Mrs. J. L. Marak of Cameron, J. J. Parma and J. T. Parma of Cameron and W. J. Parma of Belton.

Kenneth Nabours of Beaumont was in Cameron for the past week end.

15,000 BALES COTTON RECEIVED AT COMPRESS

The Cameron Compress had received 15,000 bales of cotton up to Thursday night from the local area.

P. W. Davis said that the compress has more cotton on hand at this time than for any year in recent times. The 15,000 bales mentioned above is cotton produced in this area.

The Compress received cotton from outside the county shipped and trucked in for processing.

The number above mentioned represents cotton ginned here and in the immediate territory and hauled in from gins by farmers.

LILLIE PRATT HELD IN LORAIN SMITH MURDER

Loraine Smith, negro, was slain with a knife around 11 p. m. Sunday, October 3 and Lillie Pratt, another negro woman, is in jail and facing murder charges.

Sheriff Carl C. Black arrested Lillie Pratt shortly after the stabbing and said that Loraine Smith was dead before she could reach Newton Memorial Hospital.

Sheriff Black said that the fatal stabbing occurred in the street near the Bubba Nelson cafe and bar on West 15th Street in Cameron. According to the sheriff Lillie Pratt stabbed Loraine Smith with a small bladed knife and the blade struck the heart and apparently produced almost instant death. C. R. Walker, negro, took the wounded woman in his car and started for the hospital but she was dead when the car arrived at the hospital.

The trouble, it was said, had arisen over jealousies, that both women were in love with the same man. Loraine Smith, the dead woman has a number of children and lived here with her mother. Lillie Pratt also is married and lives in Cameron. It was said her husband is employed in Houston. This is the second knife case in the Black Belt in recent weeks.

NOVEMBER 2 VOTING GIVES WIDE CHOICE

Voters at the November 2nd election will have a wide choice on which to vent their pent up emotions over politics.

Never before in the history of the state has such a situation arisen but the campaign is not as bitter as the 1928 Presidential election when Al Smith was the Democratic nominee. Texas went Republican.

This year there is still a wide choice. The ballot, an eight column affair with 8 Constitutional Amendments tacked on, is apt to stupify the average voter.

The printing contract for this ballot has been given The Herald.

The ballot follows the usual form. There are 8 columns, the last being set aside for a write in. Just why such things are done nobody seems to know since there is an Independent Party column. There is no such animal as an Independent Party and that column could have been utilized for a write in.

The ballot starts orthodox enough with the Democratic Party and next follows the Republicans. Now we begin to get into changes. The States Rights Party follows and then comes Henry Wallace's Progressive Party and that makes four.

The U. S. Socialist have a column and the Prohibitionists and that makes six. Then comes the Independent and the Write In. The Communists have been outlawed.

Absentee voting can begin on October 13.

5 YEAR PRISON TERM IS UPHELD BY COURT

The Court of Criminal Appeals at Austin Wednesday affirmed the conviction of Dr. Ola Dee Massey, woman dentist from Waco, who was given a five year penitentiary sentence in District Court in Milam County in October 1947.

Dr. Massey was convicted on a charge of kidnapping for the purpose of extortion.

County Attorney Morrison telephoned The Daily Herald Wednesday morning he had just received a telegram from Austin stating that the Massey conviction had been affirmed.

Dr. Massey who was at one time a high school student here, must now serve 5 years in prison for the kidnapping of her late aunt, Mrs. R. H. Johnson and for theft of valuables from the home.

Dr. Massey was convicted in District Court here. Her attorneys were Camp & Camp and Beard of Waco. It was expected that an application would be made for a re-hearing at Austin, the usual procedure.

The case grew out of a visit here by Dr. Massey in the late summer of 1947. Mrs. Johnson was in Cameron Hospital and wished to return to her home in the city. Dr. Massey offered to drive her to her home but after they left the hospital grounds Dr. Massey in company with another woman took the highway to Waco and placed Mrs. Johnson in a hospital there.

During the first night Dr. Massey, according to evidence, took Mrs. Johnson's purse and returned it later in the evening. A diamond brooch valued at \$2500 was never accounted for and Mrs. Johnson said it was in her purse at the time Dr. Massey took the purse from the hospital.

The day following Dr. Massey and another woman came to Cameron, secured keys and entered the home of Mrs. Johnson. A considerable number of valuables and considerable loot was later found at the Lake Waco home of Dr. Massey.

Dr. Massey also sought to gain entrance to a locked box in Citizens National Bank in Cameron, where it was alleged Mrs. Johnson kept valuables and her will. The bank refused her the request to open the box.

Mrs. Johnson who has since died filed charges against Dr. Massey and a grand jury indicted her. Mrs. Johnson was forcibly detained in the Waco hospital and was rescued by relatives after a nurse had permitted Mrs. Johnson to use a telephone.

The Dr. Massey case is one of two cases to be tried under the kidnapping law. Both cases involved women offenders. The first case originated in Fort Worth and a conviction resulted.

Drunk Driver Fined \$50.00 In County Court

G. C. Orr, charged with driving an automobile while drunk, has been fined \$50.00 in county court.

Orr entered a plea of guilty in open court and was fined \$50 and costs by Judge Dan Tyson. The costs of the court makes the fine in the neighborhood of \$75. In all cases where drunk driving is proven, car owners must surrender their licenses to drive.

Benefit Claims To Be Explained Here

Residents of Cameron and vicinity who wish information concerning Federal Old Age and Survivors Insurance should contact the representative of the Austin Social Security office who will be at the Old Age Assistance Office in Cameron on Tuesday, October 12, 1:00 p. m. to give persons of this area an opportunity to file benefit claims, obtain new and duplicate Social Security Cards, and check their wage records.

Cameron Girl Suffers Pistol Wound When Gun Falls From Bed

Miss Marie Maddox, 16, narrowly escaped death Wednesday afternoon at the J. L. Barmore residence in Cameron when a pistol that had been placed between mattresses on a bed, fell to the floor and was discharged.

Miss Maddox suffered a severe leg wound. She is in St. Edwards Hospital. She is the daughter of Mr. and Mrs. Grady Maddox of Ben Arnold.

Miss Maddox is employed at the Barmore home and was removing a mattress from the bed when the gun fell to the floor.

Man Loses Purse With \$178.00; Honest Man Takes It To Sheriff

Too many times purses found with money are never returned.

An exception to the rule here this week found Ervin G. Kaslon of Giddings returning a purse he found at the underpass of the Santa Fe Railroad in Cameron.

Mr. Kaslon found the purse and took it to Sheriff Carl C. Black. The purse belonged to Arlie Welch of Waco. When the purse fell to the pavement the currency was thrown out and scattered. The check for \$130 and \$5.00 in currency are still missing.

Sheriff Black complimented Mr. Kaslon on his honesty in bringing the purse to his office.

Man Who Passed Bad Check Here in 1947 Is Now In Jail

Albert L. Saller who passed a check for \$25.00 at the Brannon Service Station in Minerva in August 1947, has been arrested and placed in jail here to face forgery charges.

Sheriff Carl C. Black returned Saller from the jail at LaGrange on Friday.

Saller is alleged to have forged a check on the Bredford Transport Company of Dallas. He was placed under arrest in Hallettsville early this week and information relayed to Sheriff Black who had been on the trail for months.

J. R. Poole Owned Land In Wise County That Now Spouts Big Oil

There are times when a guy needs a friend.

J. R. Poole with The Herald, is getting around alright and manages to smile but he sure has a let down feeling these days.

Yesterday he was reading the Fort Worth Star-Telegram and there splattered across 3 columns was the picture of an oil well. Such things in Texas create little excitement but it was different with Poole. He sold that land in 1944.

The well, spurting oil all over the countryside, came in on a tract of land Mr. Poole owned. It is in Wise county, not far from Bridgeport. Give him a hand, boys, he needs it.

This Is Newspaper Week in America; No Proclamations

National Newspaper Week October 1 to 8 has brought forth appreciable tribute in proportion of the value and contribution of the printed word.

No proclamation has been issued locally on Newspaper Week. Newspapers don't count that way.

The theme of National Newspaper Week is "Your right to know is the key to all your liberties."

The Cameron Herald is the oldest business institution in Milam county, established in 1860.

DECISION CLEARS WAY FOR LYNDON JOHNSON

WASHINGTON, Oct. 5—The Supreme Court in effect cleared the way today for the name of Lyndon B. Johnson to appear on the Texas election ballot as the Democratic candidate for the U. S. senate.

Johnson topped ex-Governor Coke Stevenson by 87 votes in the Aug. 28 runoff primary in which almost 1,000,000 votes were cast.

He was later certified by the state Democratic convention as the party's candidate.

However, Stevenson charged ballot frauds in three South Texas counties and won a federal court injunction that would have kept Johnson's name off the ballot in November.

Stevenson also asked the senate subcommittee on elections to investigate.

Supreme Court Justice Black, after hearing both Johnson's and Stevenson's lawyers argue their cases, on Sept. 28 ordered the federal court injunction lifted.

At the same time he warned federal judges to steer clear of umpiring election results.

Stevenson's lawyers then asked the Supreme Court to throw out Justice Black's orders. But today the high court upheld Black by denying Stevenson's request.

The action was taken during a conference attended by all justices except Justice Murphy who is undergoing medical treatment in Michigan.

Although Johnson thus won a major round in his bitter fight to succeed Senator W. Lee O'Daniel (D., Texas), who did not seek re-election the high court turned him down on two other matters today;

1. It denied a motion asking the full court to issue an order similar to that by Justice Black Sept. 28.

2. It denied a request that the full court stay all proceedings in the Johnson case taken by U. S. District Judge T. Whitfield Davidson in Texas.

TWO PROJECTS MAKE UP BIG TOTAL HERE

Building permits for September issued by City Secretary W. H. Stafford, totaled \$50,100 it was stated here Monday on request of the Daily Herald.

Two major projects account for the entire portion of the total save \$100. They are \$30,000 for a recreational building at St. Monica's Church where the parochial schools are located. The other is \$20,000 for the J. C. Penney Company now building their new modern store in Cameron.

The remaining portion of the building permit totals are for small repairs. There were no new residence building permits issued in September.

The average for permits in the city has been fairly high for the first 9 months of the year. It was believed that the figures would be higher than any year since the war.

No details were available on the proposed recreational building at the Catholic church.

Work has been started on the J. C. Penney store. The company took a lease on the adjoining building, formerly occupied by Caperton's. This building is being added to the floor space of the original Penney business and a continuous front down Main Avenue will make an impressive store location.

Good progress has been made on the store and A. R. Maddox manager, was well pleased. He hopes to get the new store in operation for the holiday business.

Harvey Emmons of Magnolia was a business visitor in Cameron Thursday. He formerly lived in Cameron.

Former Resident Here Sends Dollar; Urges Poor Farm Fund

Memorial Hospital
Carlsbad, New Mexico
September 29, 1948

Dear Cameron Herald:

My September 16 paper was mislaid somehow and I only received it yesterday. But when I read it, especially about the Old Negro Woman at the County Farm, it sure made my blood boil. I used to live in Cameron and I know the hardships of being poor. My children have been hungry and they have been cold just because I was down and out and could not get the things they needed. I could not borrow money without 'collateral' the banker said. They can't take a poor person's word. Nine out of ten people will work if they are given a chance, and have something to work for.

My boy went into service when he was 18 years old and spent 19 months fighting for the very things these aged people are dying for want of. While he was "over there" in the summer of 1945 one of my little boys then 9 years old had polio. Everyone was sorry and hoped he'd soon be well. That was o. k. too but it didn't put anything into his stomach or any clothes on his body to keep him warm.

Dr. Newton signed an application for Don to get into a crippled children's hospital. By digging I finally after 9 months got him admitted. Mrs. Bill Burns, Mrs. Hayden Lawrence, Miss Anna Lee Kirk and Wayne Pemberton are the people in Cameron who loaned me money to get him there and go to see him once in a while. Well, thank God, he is able to go to school now and here I do not have to run around begging people to help me get things done. He is to be sent to Hot Springs, New Mexico in the near future for more

treatments and training for a trade that will help him through life. Every Doctor who has examined him says he will have to use his head not his body to work with. He was even supplied with a private teacher at home until he could go to school without cost to me. There was an elderly lady here who fell and broke her hip. Did she lay and rot? No, instead a bone specialist, Dr. Breck from El Paso flew here and took care of that. I am nursing in a hospital here and I know this to be true.

I started at the bottom 1 year ago Sunday. I am being put in charge of a floor at the desk. This is what it means to give a fellow a chance. I was a total stranger here. I am proud of being a Texan but not so proud of Milam County conditions. There is a doctor here who was reared in Giddings. I let him read my Cameron Herald, but am glad this one was late and he did not get to see it.

Now, Cameron has about 15 churches, not counting the country churches. Come on Christians, let's put in \$1 per month into a fund for the county aged. God will bless each one who does it and just look how many things that will provide for them. They are entitled to it. Enclosed find mine.

National Catholic Women District Meet Is Held In Temple

Temple was host to the Waco District of National Catholic Women, Wednesday, September 22 at 2 o'clock at St. Mary's school.

Mrs. Conner was at the registration table where delegates from Cameron, Lott, Marlin, Tours, Temple, Westphalia and Waco registered.

Mrs. Bouly, president of Temple N. C. C. W. welcomed the ladies and visiting priests. The District President, Mrs. W. J. Parma of Belton presided at the meeting.

A report of the new garments sent to the Pope for needy children of Europe proved the drive was a success as some one thousand new garments had been gathered from the Waco District and sent overseas.

Mrs. W. D. Parsons of Waco invited and stressed that all women attending the Diocese convention of the N. C. C. W. which will be held in Waco October 9, 10 and 11 at their conventions the Galveston Diocese will be divided so it is most important that all who can should attend.

The board of nomination appointed and elected the same officers to serve for the coming year with the exception of the recording secretary who

resigned. Mrs. Mae O'Conner of Belton was appointed.

Guest speaker was Father Schertz of Westphalia who spoke on Catholic organization and work of Lay People. After which the following priests were introduced and spoke briefly. Father John O'Reilly of Lott, Father Duda of Cameron, Father Pat O'Reilly of Temple, Father John Geiser of Tours, Father Braden and Father Robroker of Waco.

Temple women provided refreshments which were served by Mesdames Powell, Bouly and Conner.

Father Geiser closed the meeting with a prayer and Father Henry

Fuchs read the benediction of the Blessed Sacrament in the St. Mary's church.

Local women along with Father Duda who attended the meeting were Mrs. J. T. Parma, Mrs. August Kunz, Mrs. Pete Mikula, Mrs. Wm. Balhorn and Mrs. Leo Hollas.

Leo Jackson returned late Thursday from Floydada where he was called on Saturday to the bedside of his brother, critically injured in a car wreck. Mr. Jackson said the condition of his brother was slightly improved and he plans to return to Floydada late this week.

JUDGE TYSON RECEIVES WIRE TO PRINT NAME

Judge Dan Tyson late Wednesday received a telegram from Kirk R. Mallory, Assistant Secretary of State authorizing the county election board to have the name of Lyndon Johnson printed on the November ballot in Milam county.

The telegram of certification came after Johnson had won both in the federal court and state obstacles. The same telegram went to County Judges in the 254 counties in Texas.

As County Judge, Tyson, is chairman of the election board for all general elections in the county, outside political primaries.

Here is the text of the telegram to Judge Tyson:

"I certify that the Democratic party of Texas has certified to the Secretary of State as its nominee for United States Senator Lyndon B. Johnson and you are hereby notified that he is entitled to have his name printed on the official ballot for the general election to be held on November 2, 1948."

Mary Nell McClellen Outstanding Among First 25 at Baylor

Mary Nell McClellen of Cameron, freshman at Baylor University this fall, has achieved distinction in the few weeks she has been a student.

In a recent classification of English students she is among the 25 high. Out of 1250 students in English there are 25 outstanding and Miss McClellen is one of them.

She is the daughter of Mr. and Mrs. H. B. McClellen of Cameron. She was valedictorian of her graduating class at Yoe High School and an outstanding student through her years in the local schools.

Texas Press Women To Hold Convention

The 56th Annual Convention of the Texas Women's Press Association will be held at the Gunter Hotel, October 22-23, 1948, as announced by Mrs. Florence Penley, Uvalde, President.

The theme will bear on the Great Southwest, featuring products from the Rio Grande Valley, as decorations and favors for the first luncheon.

Lucy H. Wallace, First-Vice President of the organization and Faith Walthall, both of Mission will have charge of this affair. Mrs. Joe O. Naylor, San Antonio, Texas is General Chairman.

Mr. and Mrs. W. J. Rice have returned from Austin where they attended the meeting of the Texas Good Neighbor Commission.

LIONS BRUSH ASIDE CRITICISM ON GAMES

Having overcome a seizure by trepidation the Lions Club will go ahead with its Carnival Plans as originally scheduled, it was announced here this week.

The Carnival will be a two day affair and on October 8 and 9. The site will be at city park. It was said the program will be the same as was proposed before and which was held up because of a letter from Church women charging gambling on some of the games.

The carnival will be opened with a Pet Parade and this will be directed by C. L. Canady.

Olin Beasley will have charge of the games of chance. Adolph Winfield will direct the country store. The Bingo concession will be operated by Bert Nicholson, Narvie Caperton and Carroll McElwath.

Richard Bush will have charge of the Hot Dog stand; E. A. Perrin, Cake Walk and A. W. McCullin, Picture Show.

The Club uses the money from these entertainments for worthy causes in the Community and proceeds from this 1948 carnival will be so used. The Public is cordially invited to attend and patronize the carnival.

MILD NORTHER REACHES THIS AREA SATURDAY

(From the Daily)

If you are planning a trip over the week end you can take off with the assurance that the weather will be good, that is.

There was some rain in Louisiana due to a low pressure area in the Gulf region but no rain was seen anywhere in Texas over the week end.

The cool front, very mild, reached Cameron around 2 a. m. Saturday with a slight north wind. It did not change temperatures noticeably. Mild weather will prevail for several days, it was indicated in the early morning forecast.

Continued dry weather was the most discouraging aspect of the weather situation, and is becoming more serious in practically every section of the state.

The low reading here Sunday morning should be in the lower 50's while the maximum should be in the 80's.

FLATLY REJECTS PLAN FOR WORLD CONTROL

PARIS, Oct. 7—Andrei Y. Vishinsky of Russia accused President Truman and Governor Thomas E. Dewey before the United Nations today of fomenting a warlike foreign policy in the mistaken belief that America holds a monopoly on the atomic bomb.

His arms flailing, his face red, Vishinsky said Russia would never accept the American plan for control of atomic energy and demanded the immediate prohibition and destruction of all atomic weapons.

He accused the United States of having atomic "war aims" and also struck at David E. Lilienthal, chairman of the United States atomic energy commission. He called statements by Mr. Truman, Dewey and Lilienthal a "shame".

Vishinsky asserted repeatedly that the United States no longer held a monopoly in the making of atomic bombs. But he did not say that Russia specifically either has the bomb or can make it.

He charged that both the President and Governor Dewey were pursuing a warlike atomic policy.

He said that Mr. Truman, reporting on the latest American atomic tests at Eniwetok in the Pacific, asserted that three new models of the atomic bomb had been developed and that this represented "progress."

"That is what he calls it!" Vishinsky shouted across the smoke-hung conference table at a meeting of the U. N. Political Committee, "Progress in improving the atomic bomb!"

"We are told that in Hiroshima an atomic bomb killed about 150,000 people. Apparently the President of the United States describes as progress the fact that perhaps now the bomb will kill half a million people."

"That is what he calls progress. That is the American brand of progress. That is the progress which is being boasted about by leading political figures in the United States of America! That is what they call progress and that is what was approved of by the President of the United States!"

Mrs. Tom Mitcham who underwent an operation at Newton Memorial Hospital this week is much improved.

Mrs. Seth Corley and baby have been removed to their home from Newton Memorial Hospital and both are doing fine.

BY A LANDSLIDE! THE '49 FORD ELECTED CAR of the YEAR

"Magic Action" King-Size Brakes
The '49 Ford's new "Magic Action" brakes break sure car's momentum, save stopping power. They work 25% easier of a tip-toe touch.

2 New Engines V-8 or SIX
Ford's new lubrication system, new "Deep Breath" manifold and new "Econo" cooling fan give life up to 10% New Overdrive, optional at extra cost. Saves even more.

"Magic Air" Temperature Control
New 3-way "Magic Air" temperature control is on extra you'll want. Plenty of fresh, outside air in summer, a wealth of warm air in winter.

Seats are Sofa-Wide
Front seats are actually 37" wide, rear seats 60". Plenty of room for 3, front and rear.

Low... But Lots of Room
You ride cradled in the new slung center section of the new 5 cross member low-section frame. Result: full hand, shoulder and hip room in Ford's low "dreamcar" silhouette.

"Mid Ship" Ride
With the '49 Ford's new seating plan, nobody rides over the wheels. You ride safely between wheels in the new 59% more rigid "lifeguard" body and frame structure.

"Hydro-Coil" Springs
They're completely new for new comfort! New "Hydro-Coil" Springs in front (with shock absorbers built in). New "Para-Flex" Springs in back.

There's a NEW Ford in your future!

STOP FIRE!
SAVE LIVES!

Stop! IS THAT MACHINE READY TO GO INTO THE SHED?

"I've got to have a little work done on that machine before next spring."

You've probably said that more than once. Thousands of farmers have. But after the machine is in the shed for winter, it is often neglected until it's time to take it back into the field.

Here's a suggestion that will save you time and money. As soon as you finish this year with your All-Crop harvester,

implements and tools, check them over. If any repairs or adjustments need to be made, bring them to us.

Our shop is well equipped to handle all kinds of repair work, from a simple welding job to complete overhauling. Our mechanics have the knack of doing first rate work at the lowest possible cost to you.

Let's get your equipment in shape while there's time to do a good job.

Mr. J. B. White, Editor
Cameron Daily Herald
Cameron, Texas

Dear Mr. White:

I notice an item on page four of your issue of this date, entitled "Honey for Schools", which intrigues me very much. The pronoun "they" is used in the last sentence and the only antecedent that I can find for this pronoun is "cases of honey" in the preceding sentence. It would be of interest to see "cases of honey" holding a meeting some Wednesday night. I presume that the school board or some such organization held a meeting, but, I wonder.

"Hoping that you take this letter in the spirit that it was written, I am,

Sincerely yours,
KENNETH POULIN

Dr. Harvey Henry of Austin and sister, Miss Paula Henry, were here Sunday to spend the day in the home of Mr. and Mrs. Chas. C. Swift. Both were reared in Cameron, son and daughter of the late Fred Henry. Mr. Swift said that Dr. Henry expressed the desire to come back and spend the day here and visit with many of his old time friends.

Farm Bureau Head

J. WALTER HAMMOND
President Texas Farm Bureau Federation.

Farm Bureau Will Meet in Waco on Monday, October 11

A district Farm Bureau Meeting will be held in Waco on Monday, October 11, one of a series of such meetings to be held over Texas. The Waco meeting will be held in the Chamber of Commerce building.

Milam County is a part of the District and it was understood that a number of local members planned to attend.

Frank Taylor, District Director, will preside at the meeting.

"Farm prices have dropped 30 percent in the past nine months, and farmers' buying power has been reduced 18 percent," Hammond said. "Only through a workable, long range farm program that will provide for adequate price supports for farm commodities, can this Nation enjoy a balanced economy and avoid another depression such as was experienced in the early thirties," he declared. The long range farm bill hastily passed during the closing days of the last session of Congress will not adequately safeguard the interests of agriculture, and it will take a strong organization of farmers in this Nation to secure necessary amendments to this bill at the next session, the Federation president emphasized.

MARCHING CONTEST TO SEE NEW FORMATIONS

By FRANCIS COX

At the big band marching contest scheduled to be presented on the night of October 30 at the Yoe High School stadium, the public will see a type of marching that is quite different from that exhibited at football games. It will be noticeably lacking in baton twirling displays and "cute" stunts featuring girls in scanty costumes. Instead, there will be marching of the more serious and military type. This type of exhibition is a necessity because of the requirements put upon the bands by State rules. For instance, the "Required Movements", as stated in the instructions, are as follows: "Forward march, Halt, while playing; Halt, not playing; Column Right, while playing; Column Left, while playing; Diminish Front, while playing; Increase Front, while playing; Choice of right oblique and left oblique while playing or column half-right and column half-left while playing; Start playing, while marching; Cease playing, while playing." Those requirements may be in any order desired by the bands. In addition to these above maneuvers, the bands may do anything original that they want to do, as long as the time used in the whole field routine is not more than seven minutes. A penalty is invoked for using too much time on the field.

Bands are expected here from such representative cities as Waco, Marlin, Corsicana, Cleburne, Temple, Teague, Taylor, and many others. Later, a complete listing of the bands entering will be published.

Ministers Organize Association Here

Cameron ministers organized an association here Monday. It will be known as the Cameron Ministers Association and is a resumption of a similar organization started here several years ago.

L. L. Morriss, pastor First Baptist Church, is President; Rev. R. L. Lemons, pastor First Methodist Church, is Secretary and Treasurer.

Present for the organization were L. L. Morriss, Warren L. Hall, Wendell Carr, James McKeoun and R. L. Lemons. The Association will meet on the first Monday each month.

Mrs. E. L. Williams of McGregor was a Cameron visitor recently.

Mr. and Mrs. Ladis Pavlas of Bryan and son and Mrs. Vince Pavlas of Caldwell, sister of Mrs. H. L. Dake! spent Sunday in the Kake! home in Cameron.

Rev. P. Raymond Powers of Akron, Ohio, will conduct revival services at the Methodist church in Cameron October 13 through 24.

JOHNSON GAINES 466 VOTES IN BROWN CO.

EASTLAND, Oct. 1—Lyndon B. Johnson, Democratic Senatorial nominee, indirectly received a 466-vote gain in a Brown County election dispute which the 11th Civil Appeals Court ruled on here yesterday.

The Appeals Court affirmed a lower court ruling which threw out six boxes in Brown County, invalidating 1,727 votes, and thereby making Brown County Judge A. E. Wilson the Democratic nominee. Wilson's name will go on the ballot.

In a long distance conversation with The Times-Herald this morning Lyndon Johnson verified the statement of The United Press from Eastland that he had now gained 466 votes in his race for the Democratic nomination for United States Senator. This number added to the 87 majority which he previously was awarded now makes him leader over Coke Stevenson by 553.

"When the whole thing is over," Johnson told this newspaper, "it will be shown that I won the election by between 700 and 800 votes."—Waco Times-Herald.

Lt. Velfort DeArmond Stationed In Japan; Family Reside Here

1st Lt. Velfort DeArmond, son of Mr. and Mrs. V. J. DeArmond, Sr. of Greewell Springs, Louisiana, is presently assigned as the Division training aids officer with the 314th Air Division in Japan. He is now part of command which directs operations of almost every type of aircraft known in the Air Force in the performance of its mission as a Far East Defense outpost.

Arriving in the Far East last July he has visited such cities as Nagoya, Yokohama, and Tokyo and has had the fortune of seeing the famous Mt. Fuji. He sailed from San Francisco, on the USAT General Greely.

During the war he served in North Africa, receiving for his action overseas the Bronze Star, the Air Medal with cluster and the European Theater Ribbon with two battle stars. In the early part of the war he was captured but later made his escape from the Italian prison camp in which he was confined.

Prior to the war he attended Louisiana State University remaining there to work as a chemical lecture demonstrator from 1939-1941.

His wife and two boys, Barry 22 months, and David Glynn, 7 months are residing at 614 West 11th Street, Cameron. Mrs. DeArmond is the former Barbara O'Neil, daughter of Mr. and Mrs. L. V. O'Neil, 605 North Houston Street, Cameron, Texas.

Lippman Leads Aggie Freshman to Victory

STEPHENVILLE, Oct. 1—Chunky Glenn Lippman tore four yards for one touchdown and 88 yards with a kickoff for another as the Texas A&M Freshman trimmed John Tarleton Junior College 13-6 here Thursday night.

The scoring didn't begin until mid-way of the fourth period.

The Aggie Fish started on their own 30 and drove to Tarleton's four, carried most of the way by Bernard Lemmons' running. Lippman, a star at El Campo High School last year, scampered around end for the first tally. David Balderach kicked the point.

Glenn Lippman, now playing football with the Texas A&M Freshman team is a brother of Henry F. Lippman, owner of the Lippman stores in Cameron.

Mr. and Mrs. O. N. Knight of Milano are the proud parents of a daughter born at St. Edwards Hospital, October 5, 1948. The baby weighed seven pounds and 8 ounces and has been named, Dorothy Dale.

Charles Moraw, 10, Exhibits Prize Gilt At Waco Show

Charles Moraw, 10 year old 4-H club member from the Vogelsang community, exhibited the grand champion gilt at a five county area district show held in Waco on October 2, according to J. W. Stafflebeme, Jr. County Agent.

In addition, Bobby Russell, 4-H member from the Yarrellton community exhibited the second place pen of three fat barrows and the registered Duroc boar owned by Billie Ray Reddchase, Ben Arnold 4-H boy, was placed third. Prizes valued at seventy dollars were awarded the three boys.

Mrs. Giles Ethridge has returned to her home in Corpus Christi after spending several days with her husband who underwent an operation at Newton Memorial Hospital recently. His many friends will be glad to know he is much improved.

Mrs. Truman Pembroke is a surgery patient at Newton Memorial Hospital and is doing fine.

Bro. M. J. Buffington has completed a missionary meeting in San Antonio and is now back at his home in Cameron. He was accompanied by his wife and son.

JOSEPHINE DOSKOCIL NEW BAND SWEETHEART

Miss Josephine Doskocil is the new band sweetheart, having won over a large field of contestants in the annual event just closed.

The contest to determine the sweetheart of the Yoe High School Band closed Saturday night, October 2, at 8 o'clock. The contest proved to be by far the most successful in the history of the competition. A total sum of around \$825 was realized from the votes given the girls by their supporters, and this amount is a great deal more than double the amount taken in last year, the previous high point in this series of contests.

Miss Doskocil, won this high honor by bringing in votes to the amount of \$248.28. Second place was won by Maggie Marie Schulz, who brought in \$121.40. Third place was taken by Gloria Ann Jungmann, who had votes to the amount of \$112.32.

A total of eleven girls finished the contest, and these girls helped materially in boosting the amount realized to the final large figure.

Miss Doskocil will be presented formally to the public at the next home game.

The money taken in from this sweetheart contest is to be used to help replace worn-out band instruments.

BEALE STAR OF FIRST CONFERENCE VICTORY

Howard Beale, 195 pound full back, led the Yoemen in a scoring spree Friday night in Georgetown for their first conference win of the season. The Yoemen defeated the Eagles 39 to 7.

Early in the first quarter, Howard Beal of Cameron went over from the three-yard line, Zolt kicked the extra point.

In the second quarter, Beal scored two touchdowns on line plays from the three and six.

Georgetown's only tally came in the second quarter when John Cole intercepted a pass on the 20 yard line and ran 80 yards to score. Alvin Moe-hring kicked the extra point.

In third quarter, Moseley of Cameron returned a kickoff 85 yards for a touchdown. Fuchs also scored for Cameron from the one-yard line in the third quarter.

In the fourth quarter, Moseley took the ball around right end for the final Cameron score. Zolt kicked the extra point.

CARD OF THANKS

MRS. EMMA KING DIED IN COLEMAN SEPT. 21

Funeral services for Mrs. Emma King were held at the Baptist Church in Gause September 23 with interment in the Gause Cemetery. She was the widow of the late Perry T. King, well known resident of Milam county.

Mrs. King died at the home of her daughter, Mrs. Frank Nelson of Coleman on September 21.

Mrs. King was born August 1, 1878 near Crockett, Texas and made her home in Gause for 41 years. She had been a member of the Baptist church for 59 years.

Surviving are one son, John King of Coleman and one daughter, Mrs. Sarah Nelson, also of Coleman and two grand children. A host of friends also mourn her passing because she had lived a full and useful life as a Christian mother, friend and neighbor, doing all for others her health would permit.

A friend paid the following tribute: "God in his mercy called her home to receive her eternal reward and relieved her suffering though on earth her passing leaves a vacancy."

Legion Hears That War Dead Buried in Potter's Field

American Legion Officials in a meeting Sunday in Austin heard shocking reports on re-burial of war dead.

They heard that some of the dead are being returned to pauper graves. War dead are returned from overseas and the next of kin is given \$75 by the government.

The executive committee of the Legion in session Sunday passed a resolution demanding legislation to prevent pauper burials.

William McGraw of Dallas, new Commander for the Texas Department said: "The entire American Legion is shocked and indignant over the tragic burial of four veterans returned from overseas to rest in potter's fields," said McGraw. "It cannot and will not happen again."

LINDA JANE MILLER TAKEN TO HOSPITAL

Linda Jane Miller, 3 year old daughter of Mr. and Mrs. B. L. Miller of Cameron, is the city's third polio victim this week.

Little Linda Jane was taken to the Crippled Childrens Hospital in Waco Wednesday after a local physician had diagnosed the case as indicating Polio. Her parents, Mr. and Mrs. B. L. Miller returned home late Wednesday night.

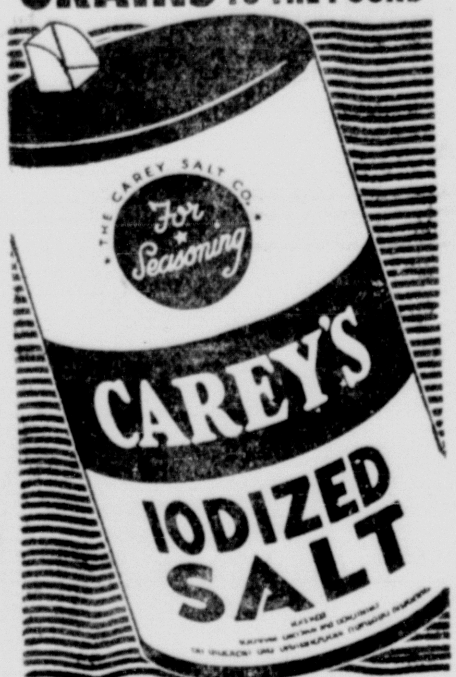

A confirmation on the diagnosis was had early Thursday from the hospital in Waco where the baby is under proper care and treatment.

Confirmation was had Wednesday on another case of a small boy who was visiting here from Houston and contracted polio.

PATIENT TAKEN TO HOUSTON HOSPITAL

Glenn Moore Rice, 3 year old son of Mr. and Mrs. Glenn Rice of Houston and grandson of Mr. and Mrs. D. McDonald of Cameron, has polio and is under treatment in a Houston Hospital.

He became ill in Cameron on Sunday and his ailment was diagnosed as Polio by Dr. C. G. Swift. The child was sent to Houston on Monday and late Wednesday Dr. Swift received confirmation on his diagnosis.

Dr. Swift said the patient was doing fine. He said that another child in the family, 8 months old, recently had polio and had recovered.

Recently Dr. Swift discussed the spread of poliomyelitis and discussed two cases in which more than one member of a family had suffered an attack. He pointed out that communication of the disease, still somewhat obscure to the medical world, may have become more understandable because of these cases. That Polio is contagious all agree but there are no established facts about its communication. Dr. Swift believes that these cases may be more than co-incidental.

This is the second case of polio reported in Cameron during the past week. The other Miss Betty Boyd who is in a Waco Hospital.

Judge Tyson Sets Up Legal Procedure In Election Call

County Judge Dan Tyson was taking no chances on technicalities in setting up legal procedure with respect to the General election to be held on Tuesday, November 2nd.

Immediately upon receipt of certification of the official ballot copy from the Secretary of State, Judge Tyson began preparing official notices to be posted at each of the 47 election precincts in the county.

There is a conflict in the law with reference to these notices, and it is presumed that failure to post them would not validate the election. Judge Tyson is going ahead and obeying the statute that sets out his duties in this matter to insure complete legal requirements in every respect in the coming election.

Judge Tyson cited recent court action over the senatorial nomination and other instances where technicalities aided in the suits. Besides guarding against illegalities the policy of Judge Tyson is a good one to follow generally.

Cameron Horses In Marlin Show Thursday

Four Cameron horses were entered in the horse show in Marlin Thursday night. The show was staged by the Empty Saddle Club.

R. G. Grabein entered Thunderbolt in the Plantation Class and won first place. It was Thunderbolt's fourth win. He is 4 years old. He has won 2 first places, one 2nd and one third. Make McDermott entered "Rocky Reed" in the Plantation class and placed fourth. In the reining class Rocky Reed placed fourth.

Dr. Lyle McDermott entered "Buck" in the reining class and placed third.

Dana Monroe riding "Salty Reed" also entered the reining class. His horse failed to place but rated high. Visitors from Cameron included Ozell Angell, Marvin Ethridge and Claude Bailey.

Grand Matron of Eastern Star Given Reception Here

Mrs. Cheba Deerwees of Fort Worth, Worthy Grand Matron of Texas Eastern Star, made an official visit to Cameron Tuesday evening. She was accompanied by two Deputy Grand Matrons, Mesdames Isabel Martin, of La Grange and Cora B. Sanlin, of Fort Worth.

Mrs. Deerwees gave an interesting talk on the duty of women to help relieve distress in the world. A gift to Worthy Grand Matron was presented by Delphya Scott, who was introduced by Associate Matron Mrs. O. B. Horstmann.

A number from this area were present. A social hour was enjoyed. The entire assembly rooms were decorated with early fall flowers featuring the green and pink color scheme.

Mrs. Giles Ethridge of Corpus Christi is here with her husband who underwent an operation at Newton Memorial Hospital this week. Mrs. Ethridge was in New York on a visit at the time of her husband's illness.

Mary Gertrude Jones of Milano has been employed as a teacher of the first grade in the Thrall school through the Teacher Placement Bureau at Southwest Texas State College.

STRONG MEASURES PENDING TO STOP U S

Look for some startling developments in Berlin within a few days now.

A Communist official in the German capital has intimated that strong measures are soon to be used and General Lucian Clay the American Commander seemed to indicate the Reds may use force in stopping the air-lift.

The Russians are gradually closing in on United States planes sending food into Berlin.

In case the Russians attack and shoot down American Planes more notes would be exchanged. In the meantime planes would have to be stopped because force would be the last resort to this country.

Cameron Ministers To Organize Monday

Rev. R. L. Lemons, pastor Methodist Church announces a call meeting of all Ministers of Cameron for eight o'clock Monday morning, October 4.

The meeting will be held in the club room of the Milam Coffee Shop, where the Ministers will have breakfast, after which they will proceed to organize a Minister's Association.

All local Ministers are urged to be present for the organizational meeting.

Mrs. Walter Mullinix left Thursday for her home in Baton Rouge after an extended visit in Cameron with her mother, Mrs. T. D. Garrett and other relatives.

Leslie Mullins of Milano has been employed as a teacher in Social Science in El Paso school through the Teacher Placement Bureau at Southwest Texas State College.

Charlie Griffin of Yarellton is a surgery patient in St. Edwards Hospital. His daughters Mrs. Charlie Barrett of Corpus Christi and Mrs. John Page of San Antonio were here for the operation.

Mrs. A. R. O'Neal is spending this week in the home of her daughter, Mr. and Mrs. Sidney Shafer in San Marcos.

J. W. Sykes has moved to Austin where he will make his home with his daughter, Mrs. Marvin Sykes.

L. C. Proctor a former superintendent of schools in Temple was a business visitor in Cameron one day this week.

The many friends of Shorty Matula will be glad to know that he is improved nicely after an appendectomy at St. Edwards Hospital.

Mr. and Mrs. Lincoln Barber Jr. and children of Jacksonville are expected to spend the week end in the home of her parents, Mr. and Mrs. Owen Weems.

NO APPEASEMENT THIS TIME SAY POWERS

PARIS, Sept. 29— The Western Powers asked the United Nations Security Council today to step into the Berlin crisis on the grounds that ruthless Soviet action threatens world peace.

The Moscow News Times predicted failure for the appeal which was presented to the council under the U. N. charter's most drastic provisions.

Informed sources said the council would take up the issue on Monday. The United States, France and Britain handed in the hottest case in U. N. history on the tenth anniversary of the Munich Pact—a forerunner to World War II.

But where appeasement was the key in Munich, determination to resist Soviet pressure was apparent in Paris.

The Western powers said they would reserve to themselves the full right to take whatever measures were necessary to maintain their position in Berlin while referring the case to the United Nations.

Informed sources said this was a definite warning the three powers would not be forced out of Berlin.

The United States, France and Britain had announced last Sunday their decision to go to the council. Today they filed their charges, with 30 pages of notes and documents supporting them, under Chapter VII of the United Nations charter.

Persian Oil Company Leader and Wife Go Back After Visit Here

Mr. and Mrs. Russell M. Brown who have been visiting relatives in Cameron for the past two weeks left for New York Sunday and will soon go to Bohrein on the Persian gulf.

Mr. Brown is general manager of the Bohrein Petroleum Ltd., Co., which is a branch of the Standard Oil and Texas Co.

While in Cameron Mr. Brown gave a special showing of interesting features of Saudi Arabia and the natives. This film was in technicolor and was very interesting. The film was shown to the Business and Professional Women's Club.

Corn Up 39c Result Government Plea To Buy; Poage In Action

Value of central Texas corn crop jumped up some 39 cents a bushel Thursday night as a result of agriculture department action in setting up a corn purchase program for Texas, Representative W. R. Poage, eleventh district, announced.

Poage telephoned agriculture officials to criticize them soundly for not coming to the relief of Texas corn farmers who have been forced this week to sell their corn crops for around one dollar and ten cents a bushel. Officials of production and marketing administration told Poage they were that minute setting up the corn purchase program.

This will make central Texas corn crop worth one dollar and forty nine cents a bushel.

Friday morning farmers who are now harvesting a major size corn crop may go to the Triple A and sign an agreement with the government by which the government will purchase their corn next June. The farmer, according to Poage, must pay one half cent a bushel to the government as consideration on the contract in return for which he gets a guarantee that the government will take his crop next June.

In the meantime the farmer stores the corn on his farm or wherever he wishes. He will have the assurance that his crop will be purchased and know what price he will get. He can use this contract to go to the bank and borrow money on his crop, it was reported.

Poage, a corn farmer himself, said the government is coming to the aid of Texas farmers in the nick of time. This purchase program will be of tremendous economic value to central Texas, he predicted. —Temple Telegram.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. R. K. Fontaine announce the engagement of their daughter, Joy Fontaine to Sgt. William B. Swope, son of Mr. and Mrs. V. E. Swope, Sr. of Le Grande, Iowa. The wedding date awaits Sgt. Swope's discharge from the U. S. Marine Corps in early Spring. Miss Fontaine was born and reared at Jones Prairie in Milam County and is now at Ocean Side, Calif., where she is employed.

REV. L. L. MORRIS TURNS DOWN CLEVELAND CALL

Rev. L. L. Morris, pastor First Baptist Church has declined a call to First Baptist Church at Cleveland.

His plans do not include attempting the fall session of Southwestern Baptist Theological Seminary. He will remain at home where he maintains a well rounded church program. In addition to his duties to the Church he serves as moderator of the 25 Baptist churches in Milam county and also serves as Training Union Director for District 14.

Rev. Morris reports a very successful church year just ended with 88 additions to the church, 36 by baptism.

The church launched the largest budget in history for the year 1948, which was \$22,856.00 and raised \$24,779.29 during the first nine months of the church year.

HONEY FOR SCHOOLS

The schools operating lunch rooms in Milam county received 30 cases of honey from the department of agriculture. This includes town schools as well as rural. The cases of honey are still in Supt. Chas. Hicks office here. They held a meeting Wednesday night.

Thinks Churches Might Help Poor Farm; People Are Willing

Dear Mr. White:

"We haven't been in your county very long, but we have been interested in what you and a few others have been trying to do for the old people at the County Farm.

"Surely some church or other worthy organization of this county will take the lead in doing something to relieve the suffering of these unfortunate men and women, until the court can do something. Then if they don't, after they have had time, there is always another election coming up.

"In the meantime we know that there are a lot of people who want to help, though it could only be in a small way. Some old furniture, dishes clothing or linens, that they do not need and would be glad to get out of the way, or a shower of canned goods and small donations of money, could go a long ways with things like they are.

"This is all supposed to be taken care of, out of the tax money, and we all have plenty of them to pay, that is true. But almost everyone is interested in an organization such as "Care", Red Cross and the "Community Chest," so surely the plea for

Get The Truth!

Called on my good friend "Cappy" Miller, who edits the County Bee, the other day. And hanging up on the wall of Cappy's office is this slogan for his paper:

"Remember there are two sides to every question. Get both sides. Be truthful."

A good slogan ... not just for a newspaper—for people, too. Because there'll always be two sides to every question: the side of those who vote one way, and those who vote another—the side of those who enjoy a temperate beverage

like beer or ale, and of those who swear by nothing but cider.

And from where I sit, once you've got both sides—and faced them truthfully, you realize that these differences of opinion are a precious part of what we call Democracy—the right of the individual to vote as he believes, to speak his mind, to choose his own beverage of moderation, whether beer or cider.

these old people will not be passed up without receiving some aid, especially since the churches of this county have put on such an extensive program for another year. They will want to see that something is done.

"As the Allen's seem to be sent by God to help bring a little comfort to these neglected inmates, we pray that something will be done to get them to change their minds about leaving. And maybe they would if the people of this county would open up their hearts and do something. We have heard some say they would like to help, if only some organization would start it.

"Do you know what the churches of this county, or even Cameron, are doing, about having weekly or monthly services for them? Just a prayer and song service, would mean so much to them, as God's word is being sent to all nations, why not out there with all the churches taking part? It surely would not be hard on any.

"If they are having such services now will you please print the dates, as a few of us, would like to attend some of them."

Plans Call For Dam Site Ground Breaking On December 9th

Plans are now being made by the Temple Chamber of Commerce for a celebration December 9 to mark the ground breaking for the Miller Springs Dam.

This Dam, a part of the Brazos River flood control program is vital to Milam county since this county sustains greater flood losses than any other county in the water shed.

The Miller Springs Dam is to be located about 4 miles northwest of Belton on the Leon River.

OCTOBER 14 DATE FOR TRAINEE EXAMINATION

Milam county's draft quota is 7 men, it was said here Saturday by F. G. Blake, Chairman of the Board. The men, all over 18 and under 27, will report to the examination center in Austin on October 14, returning to the county on the same day.

It was expected that physical standards will be high enough to prevent only about 50 per cent passing examinations. If the induction process in effect during the last war is followed, the Board would be required to call up enough men to furnish the quota for training.

In this initial examination it is possible that a pool of available draftees will be built up and actually a smaller number than that called for examination will be drafted.

Men 18 through 25 registered for the Peace Time Draft. Inductions will begin at the top and not the bottom of the age groups. This means, said Mr. Blake, that 18 year olds will be the last to be called.

8 Per Cent Hike In Rail Rates Sought

Railroads have asked the government for permission to increase freight rates 8 per cent. It was said in Washington that the increase would cost the shippers of the country about 750 million dollars.

The railroads increased their freight rates 25 per cent on July 29 this year. The new request for an increase would apply on everything except fresh fruits, vegetables, lumber, sugar, coal, coke and iron.

Dr. and Mrs. John Layne Baskin attended the Texas and New Mexico game in Austin Saturday.

Sports Column To Keep Up With The 1948 Yoemen Here

Beginning to-morrow The Daily Herald will start a football sports column to brief the fans from time to time on the Yoemen and things in general in the District.

Interest heightens as the Yoemen, already picked by The Herald to win the district, start out with smashing victory in their first game. Up to this time The Yoemen have exceeded their scoring record for the first 3 games of 1947.

A pleasing development seems to indicate beyond a doubt that the team this year is better than the 1947 team on scoring punch.

Get a copy of the little Daily or subscribe for the weekly to keep up with the Yoemen.

Mrs. Roy Law entertained the History Club at her home Tuesday, September 28.

All members and two guests Mrs. Maxwell and Mrs. Luckett of Rockdale were present.

Mrs. Wells Smith gave a review of the year book for the following year. The theme for the year is The New Texas. New officers were elected at a recent meeting; President, Mrs. J. E. Johnson; First Vice President, Mrs. James L. Coleman; Second Vice President, Mrs. Wells Smith; Secretary, Miss Clara Thomas and Treasurer, Mrs. John Rosson.

At the conclusion of the meeting Mrs. Law served refreshments.

Mr. and Mrs. Ed Strickler and son, Leonard and Mrs. D. Monroe of Austin were here for the week end and attended the funeral of Mrs. Gus Kraemer in Rosebud.
